

IRVING ART ASSOCIATION
PRESENTS A
PERRIN FAY SPARKS WORKSHOP
FEB 12-16, 2007
9:00 a.m. - 1:00 p.m.
PASTELS & OILS

Perri calls her workshops "Steps to a Likeness" and says "after years of painting 'red for the arteries blue for the veins' I needed to break out and tell my own story."

I now enjoy creating full-sized figurative paintings and working with a live model. I think Pastels are particularly colorful and allow me to loosen up due to the limitations of the medium. I enjoy the challenge of oils and dabble with watercolor and gouache. All of these scream for my attention. Now that I have time to focus on my art. I'm curious where the path will take me.
